

CARRIER OIL

Our Carrier Oil is a silky smooth blend of naturally unscented oils. It goes on light and is easily absorbed. NSP Carrier Oil provides the perfect medium to allow the aroma of our essential oils to really shine.

BENEFITS

- Serves as an excellent base for the topical application (including massage) of any of our essential oils
- Is unscented
- Is non-greasy

INGREDIENTS

100% pure oils of *Helianthus annuus* (sunflower) seed, *Carthamus tinctorius* (safflower) seed, *Vitis vinifera* (grape) seed, *Olea europaea* (olive) fruit oil and tocopherol (natural vitamin E).

RECOMMENDED USE

Use alone or as a carrier for topical application of Nature's Sunshine Authentic Oils. Dilute 7–15 drops of essential oil per tablespoon of carrier oil. Keep out of reach of children. For best results, store in a cool, dark place.
