

CARDIOXLDL™

Healthy Cholesterol Metabolism Support

Support healthy cholesterol levels and cardiovascular function with CardioXLDL. This unique and powerful herbal formula helps to modulate cholesterol oxidation and maintain healthy cholesterol levels.

CardioXLDL combines *Citrus bergamia Risso* extract with a proprietary blend of high-ORAC antioxidants that help support total cholesterol and triglyceride levels already in the normal range. It works in part by blocking an enzyme the liver needs to produce LDL cholesterol. This unique combination of *Citrus bergamia* fruit extract and antioxidants naturally supports healthy cholesterol and blood sugar levels already in the normal range.

BENEFITS

- Modulates oxidation of LDL cholesterol*
- Supports healthy cholesterol levels*
- Features a powerful, proprietary antioxidant blend*
- Is a clinically studied, exclusive, patent-pending formula!

KEY INGREDIENTS

- **Bergamot Fruit Extract (*Citrus bergamia Risso*)**—While technically an orange, this fruit more closely resembles a lime or lemon with a bumpy outer peel that ranges from pale green to yellow. If you've ever sipped a cup of Earl Grey tea, you're familiar with bergamot, which is where the brew gets its citrusy aroma. Our bergamot fruit grows along the southern coast of Italy in the town of Bergamo. Bergamot fruit is bursting with polyphenols, naturally occurring antioxidants that scavenge free radicals in the body.

- **Proprietary Antioxidant Blend**—Nine fruit and plant extracts—including turmeric, green tea, grape seed and mangosteen—are featured in this dynamic formula.

Nature's Sunshine's unique combination of citrus bergamia and our powerful, proprietary antioxidant blend create a truly synergistic effect. Scientists observed enhanced antioxidant activity *beyond* the regular capacity of the individual ingredients, yielding a wonderfully effective formulation for cardiovascular health.

RECOMMENDED USE

Take 2 capsules with your evening meal.

COMPLEMENTARY PRODUCTS

Co-Q10-100 mg, Super Omega-3 EPA, Berberine IR™, Probiotic Eleven

FREQUENTLY ASKED QUESTIONS (FAQs)

WHAT IS CARDIOXLDL?

CardioxLDL is a synergistic combination of bergamot fruit extract (*Citrus bergamia Risso*) and a powerful, proprietary antioxidant blend that naturally supports healthy cardiovascular function, modulates cholesterol oxidation and maintains healthy cholesterol levels.

HOW DOES IT WORK?

CardioxLDL contains a proprietary blend of ingredients essential to the support of healthy lipid levels. A key ingredient, bergamot fruit extract, is thought to work in part by using specific phytochemicals to block an enzyme required for the liver's production of damaging LDL cholesterol. In addition, this formula contains a synergistic blend of naturally occurring ingredients that have a demonstrated antioxidant effect and also modulate oxidation of LDL cholesterol.

CAN I TAKE CARDIOXLDL IF I ALREADY TAKE ANOTHER NATURE'S SUNSHINE PRODUCT FOR CHOLESTEROL METABOLISM?

During our clinical studies, no side effects were reported from taking CardioxLDL. As with all nutritional supplements, we recommend that you consult your physician prior to taking CardioxLDL.
